THINGS YOU SHOULD KNOW ABOUT THIS REWARDS PROGRAM

How do I earn rewards? You will earn 10 miles per dollar on hotels and rental cars and 5 miles per dollar on flights booked through Capital One Travel using this Rewards card account, and 2 miles per dollar on all other purchases. Earnings will apply to net purchases (purchases minus any credits or returns) only. Cash advances, balance transfers, and checks used to access your account are not considered purchases and will not earn rewards. All purchases made outside of Capital One Travel such as hotel incidentals, upgrades or other expenses, will not earn the enhanced earn rate, but will receive the standard 2 miles per dollar earn rate.

How does my spend bonus work? You will earn 150,000 bonus miles if you spend at least $30,000 within 3 months of your rewards membership enrollment date. Once you qualify for this bonus, we will apply it to your rewards balance within two billing cycles. Existing or previous Accountholders may not be eligible for this one-time bonus.

How does my anniversary bonus work? You will earn 10,000 bonus miles after your anniversary each year, starting with your first anniversary. Once you qualify for this bonus, we will apply it to your rewards balance.

Will my rewards ever expire? Your rewards are yours for the life of the account—they will not expire. But if your account is closed, you may lose any rewards you have not redeemed.

Is there a limit to the amount of rewards I can earn? There is no cap to the amount of rewards you can earn on purchases.

How do I redeem my rewards for travel? You have two ways to redeem your miles for travel:
1) Redeem for past travel purchases
Simply book your travel through your preferred travel website, travel agent, or other travel resource using your Capital One Rewards card. Then, sign in to your account at capitalone.com, go to Rewards and select Cover Your Travel Purchases or call our Rewards Center to redeem your miles and receive an account credit for the cost of your travel purchase.

These redemptions must be made within 90 days from the date your travel purchase posts to your account. Your account credit is usually applied to your balance within 2 to 3 business days, but may take up to 60 days after the redemption. Redemptions for a portion of a purchase amount (partial redemptions) are available.

2) Book new travel reservations
Go online to travel.capitalone.com to book your flight, car rental or hotel and use your miles to pay for your travel. The number of miles needed for travel redemption varies and is based upon the cost of the travel purchase. Here is how it works:

Simply multiply the cost of your travel purchase by 100. For example, if your travel purchase costs $200, you would multiply that by 100 to determine you need 20,000 miles to redeem.

If your travel transaction includes taxes, surcharges, and fees, these expenses will be included in the overall calculation to determine how many miles are required for redemption. Separately itemized travel transactions on your statement cannot be combined for a single redemption. Please note that Capital One has no control over how merchants itemize and charge related transactions.

What types of travel purchases are eligible for Cover your Previous Travel Purchases? Purchases made from airlines, hotels, rail lines, car rental agencies, limousine services, bus lines, cruise lines, taxi cabs, travel agents and time shares are generally considered to be travel purchases and availability for redemption is based on the merchant category code assigned to them by the merchant. Capital One is not responsible for how merchants assign these codes.

Can I redeem my rewards for something other than travel? You can also redeem your miles for cash in the form of a check or account credit, gift cards and more. Rates for these other redemption options vary and can change in the sole discretion of Capital One. As an Accountholder, you can enroll in online servicing at capitalone.com to see a complete description of current redemption offers.

Is my account eligible to transfer rewards? Your account may be eligible to transfer rewards. You may be able to transfer your rewards between certain Capital One rewards accounts, and to select external Travel Loyalty Programs. Not all rewards products are eligible for transfer.

Full terms and details of the rewards program will be available in your Welcome Package upon approval.
