How Do You Calculate My Variable Rates? Your variable rates may change when the Prime Rate changes. We calculate variable rates by adding a percentage to the Prime Rate published in The Wall Street Journal on the 25th day of December, March, June and September. If the Journal is not published on that day, then see the immediately preceding edition. Variable rates on the following segment(s) will be updated quarterly and will take effect on the first day of your January, April, July and October billing periods: Non-Introductory Purchase APR: Prime plus 11.49%, 17.74% or 21.49%; Non-Introductory Transfer APR: Prime plus 11.49%, 17.74% or 21.49%; Cash Advance APR: Prime plus 21.49%. Any increase in the Prime Rate may increase your Interest Charges and your Minimum Payment.

How Do You Determine My Credit Line? We will determine your credit line after a review of your application and your ability to pay.

What Are The Daily Periodic Rates Used To Calculate My Interest? The daily periodic rate for your Introductory Purchase APR is 0.0000%, Non-Introductory Purchase APR is 0.05477%, 0.07189% or 0.08216%, Introductory Transfer APR is 0.0000%, Non-Introductory Transfer APR is 0.05477%, 0.07189% or 0.08216%, and Cash Advance APR is 0.08216%. How Do You Calculate My Minimum Payment? If your balance is less than $25, your minimum payment will be equal to your balance. Otherwise, your minimum payment will be the greater of $25 or 1% of your balance plus new interest and late payment fees. We will also add any past due amount to your minimum payment. If your Account charges off, the entire balance is due immediately.
How do I earn elevated cash back on purchases through Uber during the promotional period? You will earn 10% cash back on eligible purchases made using the Uber and Uber Eats apps (and dedicated website) with this rewards card account. Purchases that post outside of the offer period, Uber gift cards, and Uber One membership fees are not qualifying purchases and are not eligible for enhanced rewards; however, these purchases will earn the base rewards earn rate previously disclosed under the terms and conditions of your rewards program. This offer is valid for consumer, non-commercial use only. Offer valid for eligible purchases made in the U.S. (U.S. territories may be excluded) between 12:00 a.m. ET, November 15, 2022, through 11:59 p.m. ET, November 14, 2024. Additional terms and Uber terms and conditions apply.

Will my rewards ever expire? Your rewards are yours for the life of the account—they will not expire. But if your account is closed, you may lose any rewards you have not redeemed.

Is there a limit to the amount of rewards I can earn? There is no cap to the amount of rewards you can earn on purchases.

How do I redeem my rewards? You can get your cash back upon request in the form of a statement credit or a check. You can also set up an automatic redemption preference; options include: (1) at a set time each calendar year or (2) when a specific threshold has been reached. Just go online to capitalone.com. You can also redeem for credits for previous purchases, gift cards, and more. Rates for these redemption options may vary and can change in the sole discretion of Capital One. Accounts that are not in good standing (e.g., suspended, restricted, delinquent, or otherwise in default) or closed may have different redemption options or may lose any unredeemed rewards.

What happens if I do not set up an automatic redemption preference? Until you set up an automatic redemption preference, you will receive your cash back upon your request.

How often can I change my automatic redemption preference? You may change your automatic redemption preference at any time, but you cannot request an annual redemption to be fulfilled in the same month you make a change. If you have an automatic redemption preference, you may also make upon-request redemptions without interfering with your pre-established automatic redemption preference.

How do I redeem my rewards for new travel reservations? Go online to travel.capitalone.com to book your flight, car rental or hotel and use your cash back rewards to pay for your travel. If your travel transaction includes taxes, surcharges, and fees, these expenses will be included in the overall calculation to determine how much cash back rewards are required for redemption. Separately itemized travel transactions on your statement cannot be combined for a single redemption. Please note that Capital One has no control over how merchants itemize and charge related transactions.

Is my account eligible to transfer rewards? Your account may be eligible to transfer rewards. Please be aware that transfers are only permitted between certain Capital One rewards accounts. Not all rewards products are eligible for transfer.

Full terms and details of the rewards program will be available in your Welcome Package upon approval.

YOUR BILLING RIGHTS: KEEP THIS DOCUMENT FOR FUTURE USE

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

**What To Do If You Find A Mistake On Your Statement:** If you think there is an error on your statement, write to us at:

Capital One, P. O. Box 30279, Salt Lake City, UT 84130-0279

In your letter, give us the following information:

• **Account information:** Your name and account number.
• **Dollar amount:** The dollar amount of the suspected error.
• **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

• Within 60 days after the error appeared on your statement.
• At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors **in writing**. You may call us or notify us electronically, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

**What Will Happen After We Receive Your Letter.**

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of our receipt of your letter, we will send you a written notice explaining either that we corrected the error (to appear on your next statement) or the reasons we believe the bill is correct.

While we investigate whether or not there has been an error, the following are true:

• We cannot try to collect the amount in question, or report you as delinquent on that amount.
• The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
• While you do not have to pay the amount in question until we send you a notice about the outcome of our investigation, you are responsible for the remainder of your balance.
• We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:
• If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
• If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees.

We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us at Capital One, P.O. Box 30279, Salt Lake City, UT 84130-0279 within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.
If we do not follow all of the rules above, you do not have to pay the first $50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases.

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify; and
2. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at:
   Capital One, P. O. Box 30279, Salt Lake City, UT 84130-0279

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
