Variable rates on the following segment(s) will be updated quarterly and will take effect on the first day of your January, April, July and October billing periods: Non-Introductory Purchase APR: Prime plus 11.49%, 17.74% or 21.49%; Non-Introductory Transfer APR: Prime plus 11.49%, 17.74% or 21.49%; Cash Advance APR: Prime plus 21.49%. ## THINGS YOU SHOULD KNOW ABOUT THIS REWARDS PROGRAM

**How do I earn rewards?** You will earn 8% cash back on purchases made through the Capital One Entertainment ticketing platform using this Rewards card account, 5% cash back on hotels and rental cars booked through Capital One Travel using this Rewards card account, 3% cash back on dining, qualified entertainment purchases, popular streaming services, purchases made at grocery stores and 1% cash back on all other purchases. Entertainment purchases made through a third party site or by a vendor that does not categorize themselves under one of the qualifying entertainment merchandise category codes will earn 1% cash back. Grocery purchases made at gas stations, convenience stores, warehouse clubs, discount stores, and super stores (or at grocery stores associated with discount stores or super stores) will earn 1% cash back. Earnings will apply to net purchases (purchases minus any credits or returns). Cash advances, balance transfers, and checks used to access your account are not considered purchases and will not earn rewards. Capital One uses merchant category codes to determine if a purchase is within one of the additional cash back categories. This means that sometimes a purchase may not earn additional cash back. For example, some food trucks or food carts may use a merchandise code and restaurants in department stores or hotels may use a merchandise or hotel code instead of a dining code. Additionally some amusement parks may code their online tickets as merchandise instead of entertainment. Capital One is not responsible for merchant category codes used by merchants. All purchases made outside of Capital One Travel such as hotel incidentals, upgrades or other expenses, will not earn the enhanced earn rate, but will receive the standard 1% cash back earn rate.

**What is a qualified entertainment purchase?** For the purposes of this product, it is defined as a ticket purchase made at a movie theatre, record store, video rental location (excluding digital streaming and subscription services), tourist attraction, amusement park, aquarium, zoo, dance hall, billiard and pool establishment, bowling alley, commercial sports promoter (professional or semi-professional live sporting events), theatrical promoter, or concert promoter.

**What are non-qualifying entertainment purchases?** You won't earn 3% cash back for purchases made at golf courses, country clubs (including membership fees), collegiate sporting events categorized as "universities", charitable organizations that provide live entertainment, amusement park tickets purchased on third-party sites or on entertainment and resort packages categorized as "travel" or "hotel".

**What is a qualified streaming purchase?** Streaming includes purchases made from eligible music and video streaming services. Some services, such as Prime Video, AT&T TV and Verizon FIOS On Demand, are excluded, as well as audiobook subscription services and fitness programming.

**How does my spend bonus work?** You will earn a \$200 bonus if you spend at least \$500 within 3 months of your rewards membership enrollment date. Once you qualify for this bonus, we will apply it to your rewards balance within two billing cycles. Existing or previous cardmembers are not eligible for this product if they have received a new cardmember bonus for this product in the past 48 months.

**How do I earn elevated cash back on purchases through Uber during the promotional period?** You will earn 10% cash back on eligible purchases made using the Uber and Uber Eats apps (and dedicated website) with this rewards card account. Purchases that post outside of the offer period, Uber gift cards, and Uber One membership fees are not qualifying purchases and are not eligible for enhanced rewards; however, these purchases will earn the base rewards earn rate previously disclosed under the terms and conditions of your rewards program. This offer is valid for consumer, non-commercial use only. Offer valid for eligible purchases made in the U.S. (U.S. territories may be excluded) between 12:00 a.m. ET, November 15, 2022, through 11:59 p.m. ET, November 14, 2024. Additional terms and Uber terms and conditions apply.

**Will my rewards ever expire?** Your rewards are yours for the life of the account—they will not expire. But if your account is closed, you may lose any rewards you have not redeemed.

**Is there a limit to the amount of rewards I can earn?** There is no cap to the amount of rewards you can earn on purchases.

**How do I redeem my rewards?** You can get your cash back upon request in the form of a statement credit or a check. You can also set up an automatic redemption preference; options include: (1) at a set time each calendar year or (2) when a specific threshold has been reached. Just go online to [capitalone.com](https://capitalone.com). You can also redeem for credits for previous purchases, gift cards, and more. Rates for these redemption options may vary and can change in the sole discretion of Capital One. Accounts that are not in good standing (e.g., suspended, restricted, delinquent, or otherwise in default) or closed may have different redemption options or may lose any unredeemed rewards.

**What happens if I do not set up an automatic redemption preference?** Until you set up an automatic redemption preference, you will receive your cash back upon your request.

**How often can I change my automatic redemption preference?** You may change your automatic redemption preference at any time, but you cannot request an annual redemption to be fulfilled in the same month you make a change. If you have an automatic redemption preference, you may also make upon-request redemptions without interfering with your pre-established automatic redemption preference.

**How do I redeem my rewards for new travel reservations?** Go online to [travel.capitalone.com](https://travel.capitalone.com) to book your flight, car rental or hotel and use your cash back rewards to pay for your travel. If your travel transaction includes taxes, surcharges, and fees, these expenses will be included in the overall calculation to determine how much cash back rewards are required for redemption. Separately itemized travel transactions on your statement cannot be combined for a single redemption. Please note that Capital One has no control over how merchants itemize and charge related transactions.

**Is my account eligible to transfer rewards?** Your account may be eligible to transfer rewards. Please be aware that transfers are only permitted between certain Capital One rewards accounts. Not all rewards products are eligible for transfer.

**Full terms and details of the rewards program will be available in your Welcome Package upon approval.**

## **THINGS YOU SHOULD KNOW ABOUT THIS CARD**

**When Can I Request A Transfer?** You may request a transfer 10 days after your account is opened. Your account may not always be eligible for Transfers. Transfer eligibility is determined by Capital One at our discretion. Transfers between Capital One accounts are not permitted. That means balances cannot be transferred to this account from any other credit card issued by Capital One including, but not limited to cards branded with, Bass Pro Shops CLUB, Cabela's, Kohl's, Sony, GM, BuyPower Card, Union Plus, Walmart and Teamster Privilege.

**How Do You Apply My Payment?** We will apply payments up to your minimum payment first to the balance with the lowest APR (including 0% APR), and then to balances with higher APRs. We apply any part of your payment exceeding your minimum payment to the balance with the highest APR, and then to balances with lower APRs.

**How Can I Avoid Paying Interest Charges?** If you pay your statement's "New Balance" in full by the due date each month, we will not charge interest on any new transactions that post to the purchase balance. If you have been paying your account in full without interest charges, but fail to pay your next "New Balance" in full, we will charge interest on the unpaid balance. For cash advances and transfers, we will start charging interest on the transaction date. From time to time, we may give you offers that allow you to pay less than the total balance and avoid interest charges to new transactions that post to your purchase balance. If we do, we will provide details in the specific offer.

**How Is The Interest Charge Determined?** Interest charges accrue from the 1) date of the transaction, 2) date the transaction is processed or 3) first day of the billing period. Interest accrues daily on every unpaid amount until it is paid in full. Any interest that has accrued during a billing period will post to your Account at the end of the billing period and will appear on your next Statement. This means you may owe Interest Charges even if you pay the entire "New Balance" one month, but did not do so the previous month. For example, even if a customer pays their balance in full on a February 26th due date, interest would continue to accrue on the balance from February 2nd (the start of the Billing Cycle) through February 26th, and will appear on their next Statement. Once you start accruing Interest Charges, you generally must pay your New Balance in full for two consecutive Billing Cycles before Interest Charges stop being posted to your Statement. Interest Charges are added to the proper segment of your account. However, we reserve the right to not assess Interest Charges.

**How Do You Calculate The Interest Charge?** We use a method called Average Daily Balance (including new transactions). Under this method, we first calculate your daily balance; for each segment, 1) take the beginning balance and add in new transactions and the periodic interest charge on the previous day's balance, then 2) subtract any payments and credits for that segment as of that day. The result is the daily balance for each segment. However, if you paid your previous month's balance in full (or if your balance was zero or a credit amount), new transactions which post to your purchase or special purchase segments are not added to the daily balances. Also, transactions subject to a grace period are not added to the daily balances.

Next, to find your Average Daily Balance: 1) add the daily balances together for each segment, and 2) divide the sum by the number of days in the billing cycle.

At the end of each billing cycle, we determine your Interest Charge as follows: 1) multiply your Average Daily Balance by the daily periodic rate (APR divided by 365) for that segment, and 2) multiply the result by the number of days in the billing period. NOTE: Due to rounding or a minimum interest charge, this calculation may vary from the interest charge actually assessed.

**Are Unauthorized Use Or \$0 Fraud Liability Claims Subject To Investigation And Verification?** Yes.

## **IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT:**

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. **What this means for you:** When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

### **YOUR BILLING RIGHTS: KEEP THIS DOCUMENT FOR FUTURE USE**

**This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.**

**What To Do If You Find A Mistake On Your Statement:** If you think there is an error on your statement, write to us at:

Capital One, P. O. Box 30279, Salt Lake City, UT 84130-0279

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors **in writing**. You may call us or notify us electronically, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

### **What Will Happen After We Receive Your Letter.**

**When we receive your letter, we must do two things:**

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of our receipt of your letter, we will send you a written notice explaining either that we corrected the error (to appear on your next statement) or the reasons we believe the bill is correct.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.

- While you do not have to pay the amount in question until we send you a notice about the outcome of our investigation, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**After we finish our investigation, one of two things will happen:**

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us at Capital One, P.O. Box 30279, Salt Lake City, UT 84130-0279 within **10 days** telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

**Your Rights If You Are Dissatisfied With Your Credit Card Purchases.**

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify; and
2. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us **in writing** at:

Capital One, P. O. Box 30279, Salt Lake City, UT 84130-0279

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
